

International Business

International Business is a subject that teaches how to nurture a local business and make it global. It explains the business practices and strategies required to succeed in international markets.

If you aspire to a challenging position in the field of international management, studying international business might be the right choice for you. This course prepares you for a career in multinational companies. By completing this course, you will not only deepen your business expertise. The course also tries to develop interest in different functional areas of multinational companies, to understand the political and economical particularities of different countries and to prepare its graduates for intercultural communication.
