

WaferBond'22 Participants Information

Roy Knechtel, Technical Chair and Local Lead Organizer

Dear WaferBond'22 Participants,
I'm looking forward to welcome you in less than one week to Schmalkalden University of Applied Sciences for WaferBond'22 – The Conference on Wafer Bonding for Microsystems 3D- and Wafer Level Integration. The preparations are nearly done and I would like to share some information to help you for traveling and preparing yourself.

Evening Reception October 4th 2022.

The evening reception will be held at VIBA-Nougat-World in Schmalkalden <https://viba-schmalkalden.de/english/>. You can use the following Data for GPS Navigation:

Nougat-Allee 1
98574 Schmalkalden
Deutschland

there is enough space for car parking

Please note this is a rather informal “come together” at the evening before the 1st actual day with presentations and posters. Those of you who are registered for this event can come as you arrived in Schmalkalden. However, we have a kind of a small program.

16:45	begin – from that time on you can drop in as you arrived
17:30	guided tour in English through chocolate exhibition German speaking participants can visit the exhibition before and after as self-tour
18:30	dinner as flying buffet and drinks
21:00	end of the reception

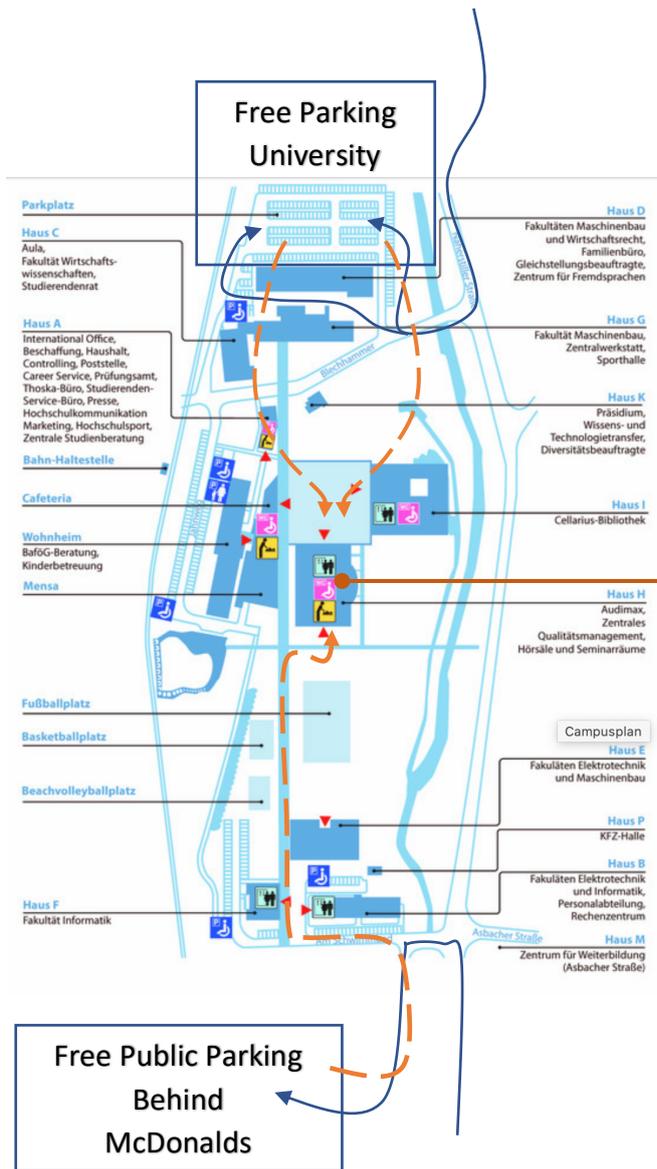

The Shop of the Nougat-Chocolate Manufacture VIBA is opened until 19:00 so you can buy some presents if you want.

We will do, for those of you who join the reception, already the conference registration at VIBA. You will get your badge, proceedings booklet and program flyer.

The WaferBond' 22 Conference October 5th and 6th

This will take place at the Campus of Schmalkalden University of Applied Sciences, actual in the big lecture hall.

For GPS Navigation please use
Blechhammer 4 98574 Schmalkalden
or
Am Schwimmbad 14 98574 Schmalkalden

Hint for student parking not relevant for conference days

Lecture Hall Building – Conference Venue

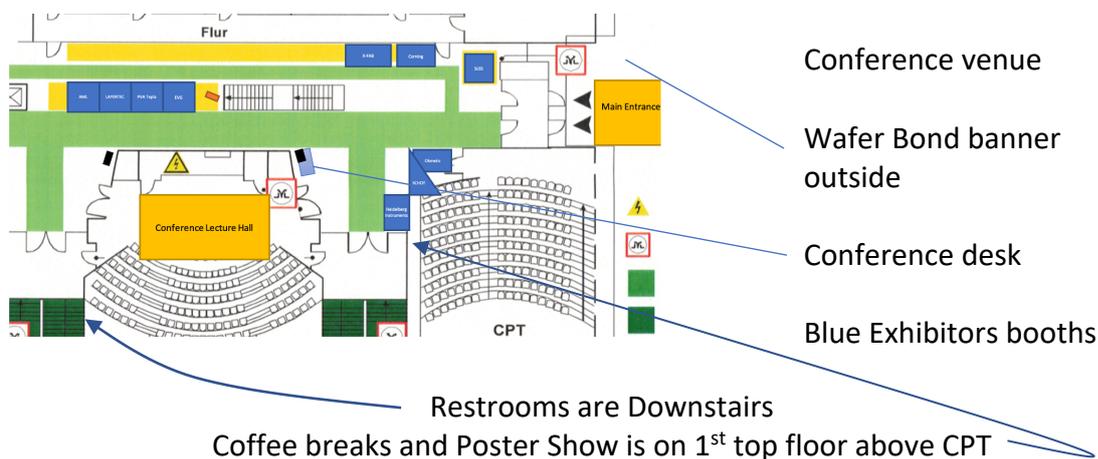

Enter here

— drive by car
 - - - walk

parking at lecture hall building is only possible for sponsors to unload material

On the ground floor of the lecture hall there is the Exhibition of the Sponsors and you can find the conference desk as well there. The big lecture hall, where the presentations will take place, you can access also from the ground floor. At one entrance to the lecture hall, there is the conference desk, for badge and proceedings pickup, onsite registration and any question you might have.

**Lunch is Served in the Mensa – next building to lecture hall,
together with your badge you will get two vouchers for the lunch – one for each day.**

The updated Version of the conference program you can find at

https://www.hs-schmalkalden.de/fileadmin/portal/Bilder/Fakultät_ET/Service/WaferBond/Program_WaferBond22-V2.7.pdf

Free Wifi is available

freeWiFi-Schmalkalden
no password required, just chose and confirm terms and condition in web browser

Network: HSM-EVENT – Pass word: HSM-2019
(WPA/WPA2 Personal)

If you need a room for phone calls or meetings, please contact me or the conference desk.
We have one room available for this.

Social Event October 5th:

Start 17:20 with Bus transfer for guided tour through Schmalkalden old town

The tour will be about 75 min followed by Bus transfer back to the campus – (you can leave cars and bags on campus)

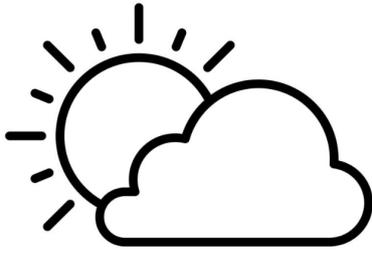

19:30 Conference Dinner – Buffet and Drinks

21:00 Laser Show

22:00 End of social event

Labtour: We have a quite small lab but this we would like to show to you (and how we do Wafer Bonding research in a small clean room) at Thursday after the end of the actual conference after 4 pm.

The group size for the tour is 5 people, the tour will take about 30min – we will fill the list of the lab tour groups on first come, first serve base. So let me please know per e-mail (r.knechtel@hs-sm.de) or at the conference desk if you would like to join the lab tour.

... I have ordered warm, dry and sunny weather but I'm still waiting for final confirmation, but it looks not too bad.

Nevertheless, please be prepared and bring a warm jacket and an umbrella with you, especially for the old town tour and the Laser show.

Finally, I wish you a safe and pleasant trip.
I'm looking forward to welcome you in Schmalkalden for WaferBond'22.

Best regards and many thanks,
