Sexism is all around us – and yet we are still reluctant to talk about it. The project Bündnis “Gemeinsam gegen Sexismus” (Alliance Together Against Sexism) is using the exhibition entitled “Together Against Sexism” to free the issue of sexism and sexual harassment of its taboos and to reach a wide audience.

Our visually appealing and readily understandable information, facts and figures about sexism, its various forms and consequences brings the topic into the mainstream. Tips and suggestions for dealing with sexism in everyday life help visitors to learn that fighting sexism is a task for the whole of society.
