

unique opportunity!

follow-up employment possible!

100% Remote | English

Full Stack Web Developer Expert (m/w/d)

(Freelancer)

manus

here is a one-time opportunity for a skilled and interested full stack developer student from schmalkalden! 🚀

we are searching for a web tech expert as a freelancer for a modern cloud web project:

- ✓ apache, linux, laravel, gitlab, bootstrap, rest api, json, ...
- ✓ integrations like postmark mail, stripe/paddle payments, meta ads, google, custom apis ...
- ✓ paid on hourly basis
- ✓ 100% remote and flexible work
- ✓ 100% english project management
- ✓ 100% personal and trustful one-on-one working atmosphere
- ✓ possibility to maintain the project permanently in the future with a fixed contract

please send your CV along with a summary or links to your already done work in modern web projects **only to:**

mail: p.hohmann@manus-personal.de
philipp hohmann (ceo)
