

Course Description – Summer 2022

Title	General Management Simulation (UPS)
Faculty	Computer Science
Professor	Prof. Dr. Regina Polster
ECTS	3
Level	Bachelor
Requirements	Basics in Business Administration
Add. Information	Course over two entire days in June - group examination during the examination period
Content	Participants in the simulation manage a (virtual) company. They will make typical business decisions in a realistic environment. During evaluation phases, the participants will have to analyze the results of the previous period and test their overall business strategy against current economic conditions. They learn principles of business administration: how to use information in decision-making, and how to handle risk and uncertainty.
