Title	Cost Accounting
Faculty	Business and Economics
Professor	Madlen Fröbrich, M.A.
ECTS	5
Level	Bachelor
Requirements	-
Add. Information	Students have to take a comprehensive written in-class examination.
Content	Cost accounting is an essential management tool that can uncover profitability improvements and provide support for key business decisions. The <i>Cost Accounting</i> course shows how to improve a business with constraint analysis, target costing, price setting, and cost of quality analysis. The course also addresses the essential tasks of inventory valuation, and shows how to create a cost collection system for these activities. In short, this course contains the essential tools needed to foster more profitable decision-making by management.
